INTRODUCTION

The University of California Police Department is constituted under statutory authority granted by the State of California to The Regents of the University of California. Under this authority, the University appoints Peace Officers with full peace officer status for the enforcement of law and the maintenance of security in and about areas controlled or administered by The Regents.

The Office of the President is responsible for the Universitywide coordination of certain University police services functions. This responsibility is executed through the Office of the Coordinator of Police Services and includes coordination of the development of employee selection, training and performance standards, collection and dissemination of crime prevention information, liaison with other agencies in the Criminal Justice System, organization planning for inter-campus mutual assistance and development of police services policies and standards. Responsibility for security and law enforcement at each campus is assigned to the Chancellors who are responsible for campus organization, operation, internal administration and discipline. The Chancellor, at each campus, has established a police or public safety department with responsibility for law enforcement and the protection of the lives and property of the general public, students, faculty, and staff.

The Universitywide Police Policies and Administrative Procedures underwent a full review in 2010. The effective date of this version of the Universitywide Police Policies and Administrative Procedures is January 7, 2011. The Systemwide Council of Chiefs shall review the policy annually for update purposes and shall conduct a full review at least every three years.

Emergency additions, deletions, or changes to the Universitywide Police Policies and Administrative Procedures may be required to address time sensitive or special occurrences or events. Emergency changes will be submitted to University of California Office of the President through the Coordinator of Police Services for review and approval. Any emergency changes that are approved shall be reviewed as part of the Council of Chiefs annual review process prior to incorporation into the Universitywide Police Policies and Administrative Procedures.

101.1 Officers. Officers are University of California Police Department employees appointed pursuant to sections 201.1 and 201.2 of this manual. The terms "peace officer", "sworn personnel", "police officer" and "officer" are synonymous when used in this manual. Policies and procedures which refer to "officers" are applicable to all sworn personnel and informational for non-sworn personnel.

101.2 Departmental Policies and Procedures. Each Chief of Police has the responsibility to adopt and publish policies and procedures for the assistance and guidance of the members of their individual campus police departments. Policies and Procedures for campus police departments issued by authority of the Chief of Police shall have the same authority as these Universitywide Police Policies and Administrative Procedures. Local regulations, including General and Special Orders, Procedural Memoranda and instructions may be written more restrictively than Universitywide Police Policies and Administrative Procedures, however they may not be written to supplant or diminish the Policies and Procedures contained within this Universitywide document.

UNIVERSITY OF CALIFORNIA PERSONNEL POLICIES

102. University Police Officers are subject to the Federated University Police Officers Association (FUPOA) contract. Sergeants are subject to University of California Staff Personnel Policies. Police Lieutenants are subject to the University of California Administrative and Professional Program Personnel Policies, and Chiefs of Police and Assistant Chiefs of Police/Captains are subject to the University of California Management and Professional Program Personnel Policies. The applicable policies shall be made available to all personnel. Exceptions to the policies must be approved by the appropriate authority.

COMPLIANCE

103. All employees of the University Police Department shall comply with applicable Universitywide Police Policies and Administrative Procedures as well as with policies and procedures issued locally at the campus, except where a policy or procedure is superseded by a collective bargaining agreement provision applicable to FUPOA members.

An example of the foregoing is having coffee, or dining, in establishments whose primary business is the dispensing of alcoholic beverages or in that portion of a restaurant set aside for dispensing such beverages. Uniformed employees should use good judgment and avoid being in such locations if it is not required by an assignment. Officers shall not shop extensively except when required in the line of duty.

PERSONAL GROOMING--UNIFORMED AND NON-UNIFORMED EMPLOYEES

- (b) **Fingernails.** Fingernails shall be clean and trimmed. Nails shall not be of such length as to interfere with the performance of any required duty.

Chapter 13: UNIVERSITYWIDE MUTUAL AID

DEFINITIONS

1301. Universitywide mutual aid is the temporary reassignment of personnel, equipment and/or other resources from one campus or laboratory to another campus or laboratory within the University of California police system.

- (a) Host campus: the campus or laboratory requesting and receiving mutual aid assistance.
- (b) Guest campus: any campus or laboratory providing mutual aid assistance.

REQUESTING MUTUAL AID

1302. Normally, requests for mutual aid will be made before incidents of civil disorder, special campus events, or other local emergencies when the available resources of the host campus are insufficient to accomplish the police mission.

- (a) Requests for mutual aid will be made by the Chief of Police of the host campus, directly to the Chiefs of Police of other campuses.
- (b) In the absence of the Chief of Police, the senior ranking command officer may initiate the request for mutual aid. The senior ranking command officer will make every effort to consult with the host campus Chief of Police prior to requesting mutual aid.
- (c) Requests for mutual aid will be made on the *Universitywide Mutual Aid Request Form* (Appendix A-2). Telephone requests may be made, but shall be followed up in writing as soon as practical. Written requests may be sent via fax or email.
- (d) Every effort will be made to provide sufficient advance notice of mutual aid requests in order that guest campuses can evaluate available resources and make necessary schedule adjustments.
- (e) The Coordinator of UC Police Services will be notified of the request for mutual aid as soon as practical.

RESPONDING TO MUTUAL AID REQUESTS

1303. Campuses will make every reasonable effort to provide the requested mutual aid commensurate with available resources and depending on local circumstances. A *Universitywide Mutual Aid Authorization Form* (Appendix A-2) will be transmitted via FAX or email to the host campus specifying if mutual aid will be provided, and if so:

- (a) Name, rank and identification number of mutual aid personnel;
- (b) Date and hours of the most recent duty assignment of mutual aid personnel;

- (c) Specialized equipment being provided;
- (d) Other resources being provided, if any;
- (e) The name of the person in charge of the mutual aid detail; and
- (f) Specific reassignment of mutual aid personnel and equipment to the command of the Chief of Police of the host campus, and the date and time such reassignment become effective.

REIMBURSEMENT POLICY

1304. The policy of the University of California Police Department, as established by the Council of Police Chiefs, provides that a host campus shall reimburse a guest campus for those costs that are a direct result of the assignment of personnel, equipment or other resources to the host campus for mutual aid. Such costs are only those that are over and above the cost of the routine operation of the guest campus.

1304.1 Reimbursable Costs. The following describes reimbursable and non-reimbursable costs.

1304.1.1 Personnel Costs

- (a) Salary - costs for the regular wages of personnel on mutual aid assignments are not reimbursable; personnel who would be on-duty at the guest campus are assigned to a host campus at no charge.
- (b) Overtime - overtime costs for personnel are a reimbursable cost and may be:
 - (1) Overtime costs resulting from hours worked at, or spent in traveling to and from, the host campus by personnel on a mutual aid assignment;
 - (2) Overtime costs resulting from hours worked by personnel at the guest campus who are assigned to cover the positions of those personnel absent due to a mutual aid assignment;
 - (3) Overtime costs which occur when personnel on mutual aid work hours over their normal working hours.
 - (4) Costs associated with related court appearances.

1304.1.2 Travel Costs. Travel costs to and from the host campus from the guest campus are reimbursable, as follows:

- (a) Air or other commercial means of travel - costs for commercial fares of personnel are reimbursable, as are the costs for charter flights.
- (b) University of California Vehicle Costs - costs for vehicles used to and from the host campus are reimbursable with some exceptions, as follows:

- (1) If vehicles assigned to the guest campus, such as patrol cars, unmarked vehicles or vans are used, there is no reimbursement. However, if the distance travelled is significant, an exception may be made upon agreement by the Chiefs of Police of the host and the guest campus.

Example of exceptions: UC San Diego requests marked patrol cars from UC Berkeley or, UCLA transports motorcycles to UC Davis, on request.

- (2) If the guest campus leased/rented a vehicle, such as a van, to transport assigned personnel to the host campus, costs would be reimbursable. This would apply to University of California or commercially leased vehicles.
- (c) Use of Personal Vehicles - the use of personal vehicles by personnel of a guest campus to travel to and from the host campus is not authorized, for a variety of reasons. Personnel should utilize the vehicular transportation provided by their guest campus for that purpose.
- (1) Exceptions - The Chief of Police of the guest campus may grant an exception to an individual to their personal vehicle, if sufficient justification exists. However, if space is available on the guest campus transport vehicle(s), no mileage expense will be provided to the individual and exceptions will be granted in accordance with this provision.
- (d) The guest campus should submit a transportation form (Appendix A-2) to the host campus to arrange for airport pick up and return.

1304.1.3 Lodging and Meal Costs. The host campus is responsible for arranging lodging and meals for personnel from guest campuses. Two arrangements or a combination of the two may be used, based on circumstances:

- (a) **Funds Provided** - The guest campus, if time allows, may provide individual personnel with funds in advance to cover the cost of lodging and meals during the mutual aid assignment. Such costs are reimbursable to the guest campus.
- (b) **Meals and Lodging Provided** - The host campus may provide meals and arrange lodging for the personnel from guest campuses. In such situations there would be no costs to the guest campuses and reimbursement would not be an issue.
- (c) **Combination Approach** - The host campus may provide some combination of meals and lodging. In such situations, those expenses incurred by guest campus personnel would be a charge to the guest campus and subject to reimbursement from the host campus.

1304.1.4 Other Costs to Guest Campuses. Any costs incurred by a guest campus as a result of providing personnel to a host campus that are not covered in Appendix A-2 should be resolved through an agreement between the two chiefs that is mutually acceptable.

WORKING HOURS--SHIFTS TO BE COMPLETED

1305. On occasion, the host campus may determine that personnel from other campuses should be released because the need for mutual aid no longer exists. However, the Officer-in-Charge (OIC) from each guest campus should determine whether each individual in the OIC's detail will complete the working hours required by individual's own routine work schedule.

The OIC shall be responsible to ensure that each individual completes their normal shift working hours prior to being released. Based on circumstances, this may be accomplished by working additional hours at the host campus, through the travel time used in returning to the guest campus or through an assignment at the guest campus upon return there.

This procedure should eliminate the possibility that any individual is not credited with a full working day for time sheet purposes.

FOOD, LODGING, AND TRANSPORTATION--HOST CAMPUS RESPONSIBILITIES

1306. The host campus is responsible for the following:

- (a) Arranging appropriate lodging for mutual aid personnel;
- (b) Providing meals for mutual aid personnel;
- (c) Providing transportation from/to the airport (See Appendix A-2);

TRANSPORTATION AND EQUIPMENT--GUEST CAMPUS RESPONSIBILITIES

1307. The guest campus is responsible for the following:

- (a) Arranging for transportation of mutual aid personnel to and from the host campus; and
- (b) Insuring that personnel assigned to mutual aid are equipped in accordance with universitywide uniform and equipment regulations including personal identification numbers on all helmets.

On duty personnel will be rotated from assigned posts at reasonable intervals, especially in high stress assignments. Adequate toilet facilities will be made available to field personnel.

1312.2 Food/Liquids. The host campus will insure that mutual aid personnel receive adequate meal breaks, and that appropriate food is available. Food and liquids, including water, soft drinks, fruit juice and coffee, will be available at appropriate times when personnel are on duty.

Chapter 14: FUNERAL PROTOCOL

RESPONSE

1401. A death of a member of the University of California Police Department will require an immediate, planned response for both the notification of the death to the family and public in general, and the coordination of the police funeral. The way each of these areas of concern is handled will have considerable effect on the family, other departmental employees, and the University itself. It is imperative that both notifications and the funeral be addressed with the greatest possible degree of professionalism and sensitivity by all who are involved.

NOTIFICATIONS

1402. Upon confirming the facts and circumstances of the critical injury or death of an employee, the on-duty supervisor should make arrangements for appropriate notifications. Public interest in law enforcement matters is high, and information will quickly be broadcast that there is a seriously injured or deceased law enforcement officer from the University of California. Since the identity of the involved officer will be withheld pending notification of next of kin, it is recommended that on-duty personnel immediately contact their own families to tell them they are not involved. Employees shall not release the names of any parties actually involved in the incident unless authorized by Command Staff.

1402.1 Recommended Order of Notification.

- (a) The supervisor on duty shall make the appropriate notifications to the Chief of Police via the Chain of Command.
- (b) The Chief of Police or designee should make the notification to the next of kin.
 - The notification to the next of kin should, whenever possible, be made in person, by one of equal or greater rank than the decedent.
 - The notifier should be well informed regarding the circumstances surrounding the death and should freely impart that information to the family.
 - The notifier, or other suitable person, shall remain with the family until the arrival of a suitable assisting person so as not to leave the family unattended during this critical period.
 - The notifier should obtain the name of the employee preferred by the family to act in their behalf as Family Liaison Officer.
- (c) Notification should be made to all on and off duty personnel as directed by the Chief of Police.
- (d) Notification should be made as soon as possible to the appropriate campus Chancellor or designee and Campus Public Affairs; Office of the President, Executive Vice President-- Business Operations; and other government agencies.
- (e) A psychologist or grief counselor, chaplain or other person trained in law enforcement trauma support should be employed to assist department members.

1402.2 Critical Injury/Death and Funeral Notice. Once all appropriate notifications have been made, a death and funeral notice should be completed. This should include an official, public notification of the death of a law enforcement employee. It should be completed as soon as practical, and as completely as possible. It should include information about the deceased employee such as place of birth, age, and surviving kin, a brief description of the circumstances of the death, and funeral information. If there are aspects of the initial release that are unanswered, (usually viewing and funeral arrangements) they can be addressed as “pending” and an updated notice sent out when the family makes its wishes known.

1402.3 Emergency Notification Form. Each Campus should adopt an "Employee Emergency Notification Form" to be completed by employees and updated during their calendared review process. The form will contain notification wishes and special instructions by the decedent in the event of his/her death.

FUNERAL PROTOCOL

1403. In order to assist departments in preparing for a funeral of a deceased department member, a Funeral Planning guide is attached as Appendix 3. This checklist is meant to serve as an adaptable, easily adoptable protocol for planning of a law enforcement funeral.

Law Enforcement Code of Ethics

As a Law Enforcement Officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held as long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself to my chosen profession...law enforcement.

SUMMARY OF MUTUAL AID EVENT

Law Enforcement Funeral Position Descriptions and Responsibilities¹

HONORS, DEFINED

Honors. There are two levels of Honors for the purposes of this document:

- **Honors:** Honors is comprised of an Honor Guard conducting a Rifle Salute, ceremonial Flag Folding and TAPS.
- **Full Honors:** Full Honors is comprised of the Honors elements plus aircraft flyovers and equestrian elements. Bagpipers and the release of birds are non-official funeral elements and in all cases are included at the behest of the decedent's family.

The only Honors element appropriate for a non-sworn Officer funeral is the static presence of an Honor Guard. In all cases a pre-folded flag may be placed on the casket and presented to the family.

FUNERAL PROTOCOLS

Categories of Funeral Protocol. The Chief of Police is the final arbiter of what category and what ceremonial elements will be included in a University of California Police funeral. For the purposes of this order, a Category I funeral with Full Honors will be illustrated. Other categories of funeral will be described as abbreviated versions of a Category I funeral with Full Honors.

Category I. A Category I death is a public event that denotes full, military-style, ceremonial honors. This category is reserved for sworn employees killed in the line of duty. No effort should be spared in the conduct of a Category I funeral that is consistent with tradition, good taste and the wishes of the immediate next of kin. In the event the campus agency does not have all the specialized resources needed for the conduct of a Category I funeral (bugler, piper, Master of Ceremonies, etc.) members of outside law enforcement agencies may be contacted for assistance.

Family Notification. Family members should be advised that a funeral with “full honors” will take considerable time to properly conduct. It usually consists of a religious ceremony in accordance with the family’s faith, and a graveside ceremony that will require an extended wait for all elements, dignitaries and attendees to be in place before it can begin. It involves the movement of thousands of persons and hundreds of vehicles from the house of worship to the graveside. In almost all cases, the family will be in place at the graveside before the last vehicle in the motorcade has left the house of worship. It is not uncommon for there to be a two-hour delay from the time the family arrives at the graveside and the last attendees are in place. Acquisition of an RV (recreational vehicle) for the family’s comfort during the waiting period should be considered.

Category II Sworn / Non-Traumatic Death Category II funerals are reserved for sworn personnel whose death is not the result of a traumatic, duty-related event. A Category II funeral may be a public event depending on its circumstances. It denotes a reduced level of military style honors to be determined by the Chief of Police.

¹ Adapted from Ventura County Law Enforcement Funeral Protocol, 2004

Category III Death of a Civilian Employee. A Category III funeral is a non-public event with limited Department involvement.

Category IV Death of a Retired or Separated Employee. A Category IV death is an informational matter addressed through publication of a death and funeral notice to the ten campus departments.

Category V Death of an Employee's Family Member. A Category V death is an informational matter addressed through publication of an internal death and funeral notice when requested by the involved family.

EVENT MANAGEMENT

The Incident Command System. The Incident Command System should be employed to manage the event.

- The Chief of Police should designate an Incident Commander.
- The Incident Commander should announce a planning meeting and activate positions such as Command Liaison Officer, Public Information Officer, Operations Section Chief, Planning and Intelligence Section Chief, Logistics Section Chief, Traffic Group Leader, Ceremonies Group Leader and Officer's Association Liaison.

Command Liaison Officer. The Command Liaison Officer is assigned directly to the Incident Commander and is the initial point of contact for all outside agencies, dignitaries and VIPs. The Command Liaison Officer should:

- Facilitate the attendance of such persons;
- Advise such persons to make direct contact with the Command Liaison Officer upon arrival at the jurisdiction;
- Document the attendance of such persons and the size of their delegations;
- With prior clearance from the Family Liaison Officer, allow VIPs to personally express their condolences to the decedent's family on the day of the funeral;
- Maintain a journal of all activities;
- Submit all records of the attendance of such persons and delegations to the Planning and Intelligence Section prior to the incident debrief. (Such records are critical to inter-agency relations and follow-up letters of thanks).

Public Information Officer. The Public Information Officer is assigned to the Incident Commander and is the point of contact for all media outlets and should:

- Confer with the Family Liaison Officer regarding completion of the Critical Injury / Death and Funeral Notice;
- Prepare a press release regarding the death of the employee and the subsequent ceremonial arrangements.
- Compose a brief biographical history of the deceased employee;
- Maintain a journal of all activities;
- Submit all documents to the Planning and Intelligence Section prior to the debriefing.

Family Liaison Officer. The Family Liaison Officer is the person chosen by the decedent's next of kin as the primary point of contact for the family on all matters relating to the death and funeral of the employee. This is the most critical role in the Incident Command structure. It requires one of strong character who has a close bond with the family. Ideally, all contact with the family should be through this person. It is calming for the family to interact with one of their choosing rather than a flood of callers. The Family Liaison Officer should:

- Be with the decedent's family as much as possible during the funeral period;
- Maintain routine contact with the Incident Commander;
- Ensure that the family's wishes relating to the funeral are communicated to the Incident Commander on all matters;
- Be a conduit for all incoming or outgoing family communication;
- Attend all planning meetings;
- Maintain a journal of all activities;
- Communicate the family's wishes on all matters directly to the mortuary, through the Funeral Director;
- If circumstances permit, arrange a visit, before the funeral, between the family and the command staff of the Department;
- Submit the journal and any related documents to the Planning and Intelligence Section prior to the incident debriefing;
- Attend the incident debrief.

Operations Section Chief. It is the duty of the Operations Section Chief to oversee the various facets of the funeral preparation and execution in behalf of the Incident Commander. As such, the Operations Section Chief should:

- Schedule and maintain contact with all activated segments of the Incident Command structure;
- Attend all planning meetings;
- Appoint a Mortuary Liaison to discharge the duties listed on the Mortuary Liaison Checklist;
- Appoint a House of Worship Liaison to discharge the duties listed on the House of Worship Checklist;
- Appoint a Cemetery Liaison to discharge the duties listed on the Cemetery Liaison Checklist;
- Exercise functional supervision over the progression of all funeral related events;
- Ensure that bomb sweeps are conducted at all venues prior to the arrival of personnel;
- Change and re-direct the Incident Action Plan as necessary;
- Maintain a journal of all activities;
- Submit all documentation to the Planning and Intelligence Section prior to the incident debrief;
- Attend the incident debriefing.

Planning and Intelligence Section Chief. It is the duty of the Planning and Intelligence Section Chief to oversee the conduct of all planning meetings, maintain all records and documentation and coordinate the participation of elements from within and without the Department that will be contributing technical expertise to the proceedings. The Planning and Intelligence Section Chief should:

- Announce and conduct an initial planning meeting;
- In conjunction with the Operations Section, identify an Operational Period;
- Compose a written Action Plan that allows sufficient time for all organizational components to complete assigned duties;
- Conduct a site survey at the house of worship and produce a security plan;
- Conduct a site survey at the cemetery and produce a security plan;
- Establish and maintain contact with:
 - The religious leader identified by the Family Liaison Officer;
 - The Funeral Director;
 - The Benefits Counselor;
 - The Department Psychologist;
 - A Piper;
 - A Bugler;
 - A photographer for both venues the day of the funeral;
 - An audio expert for the church and graveside ceremonies;
- Maintain a journal of all activities;
- Maintain copies of all written plans, diagrams, maps, etc.
- Handle all correspondence;
- Monitor the weather;
- Collect and archive all journals, notes and documents;
- Conduct the incident debrief;
- Prepare an After-Action report.

Traffic Group Supervisor. Under the direction of the Operations Section it is the responsibility of the Traffic Group to plan and coordinate all traffic related elements the day of the funeral. The Traffic Group Supervisor should:

- Attend all planning meetings;
- Diagram the parking facilities at the mortuary and the cemetery;
- Contact (through the Command Liaison Officer) the California Highway Patrol and other jurisdictions that may be impacted during the funeral procession;
- Formulate a motorcade and parking plan for all venues;
- Maintain a journal of all activities;
- Submit all plans and related documentation to the Planning and Intelligence Section prior to the second planning meeting;
- Notify the Logistics Section of all items necessary to accomplish the Traffic Group mission (cones, delineators, flares, barricades, etc.);
- Submit all journals and other documentation to the Planning and Intelligence Section prior to the incident debriefing;
- Return all unused or re-useable items to the Logistics Section;
- Attend the incident debrief.

Ceremonies Group Supervisor. Under the direction of the Operations Section it is the responsibility of the Ceremonies Group to research, plan and execute all funeral related ceremonies. The Ceremonies Group Supervisor should:

- Establish a Church Ceremonies Team and designate a Team Leader;
- Establish a Cemetery Ceremonies Team and designate a Team Leader;
- Ensure that the position of Master of Ceremonies is staffed by one well versed in military drill and ceremonies who possesses a commanding voice;
- Meet the Funeral Director, the Cemetery Curator, the Family Liaison Officer and the religious leader at the cemetery well in advance of the interment and choreograph the graveside ceremonies;
- Conduct dress rehearsals with all involved parties at both venues. Ensure that the following issues are addressed:
 - The ceremony is planned in accordance with the wishes of the next of kin;
 - The location of the grave is satisfactory to the next of kin;
 - The listed elements are plotted on a cemetery diagram;
 - Rifle Squad;
 - Uniform formation;
 - Family delegation, (with a canopy and sufficient chairs in place);
 - The arrival route of the hearse, and its eventual parking space;
 - Piper and Bugler;
 - Honor Guard.
- After addressing the necessary issues, mark the locations of the components of the ceremonial groups with wire flags, spray chalk or other suitable substance and conduct a walk-through of the graveside ceremony. (When mapping out the ceremonial elements, [especially the uniform formation] remember that it is easier to constrict a plan that is too large than to expand one that is too small).
- Contact all members of each component of the ceremonial groups and direct them to report to their respective duty stations well in advance on the day of the funeral in order to dress rehearse their roles;
- Confer with the Parking Team Leader to ensure that all vehicles belonging to the members of the ceremonial groups are positioned for rapid departure from the house of worship, to the cemetery, well in advance of the funeral motorcade;
- Position arriving personnel in accordance with the parking plan;
- Oversee the conduct of the graveside ceremonies.

Logistics Section Chief. The Logistics Section Chief is responsible for site security at all venues, provision of all necessary supplies, procurement of certain key personnel and apparatus, operating a transportation detail to assist arriving and departing personnel, and assisting the family with the post-funeral reception. The Logistics Section Chief should:

- Arrange for the deployment of a tow truck at both venues the day of the funeral;
- Arrange for the deployment of a rescue ambulance at both venues the day of the funeral;
- Arrange for the deployment of portable toilets at a suitable location in the cemetery;

- Arrange for the deployment of a catering truck at a suitable location, in the cemetery proper, on the day of the funeral;

- Maintain a journal of all activities;
- Submit all documentation to the Planning and Intelligence Section prior to the incident debriefing;
- Attend the incident debriefing.

Officer's Association Liaison (or other identified Specialist).

- Assist the decedent's family with matters related to the death such as benefits, insurance policies, personal documentation, costs, etc.
- Attend all planning meetings;
- Assist with funeral planning and arrangements.

GRAVESIDE CEREMONIES FOR CATEGORY I FUNERAL

Ceremonial Elements. A Category I funeral consists of some or all of the following ceremonial elements:

- Master of Ceremonies
- Pallbearers
- Honor Guard
- Rifle Squad
- Ceremonial Flag Folding
- Piper
- Bugler
- Flyover Squadron
- Rider-less Horse

Choreography. A Category I funeral is choreographed as follows:

- Ensure that the family's wishes are met;
- Ensure that the family can see and hear all elements of all ceremonies;
- Ensure that the Master of Ceremonies has drill and ceremonies expertise and a commanding voice;
- Ensure there is a clear path for all ceremonial elements, paying particular attention to the pallbearers;
- Ensure the elements of the formation can hear the proceedings at the graveside.

Flag and Coffin Protocol.

- When the United States flag is draped on a coffin, the field of stars is positioned at the head and over the left shoulder of the deceased, as pictured in the addenda.
- When a flag-draped coffin is on display, the head is to the viewer's left. The striped area of the flag faces the viewer and is considered the "front" view.
- When a coffin is moved, whether flag-draped or not, it is oriented feet first.
- When outside, if a flag-draped coffin is moved from one place to another, uniformed personnel are expected to salute when it passes.
- Nothing is to be placed on a flag-draped coffin at any time.
- During the ceremony the United States flag is folded by the Honor Guard. Once folded it may be passed from person to person or carried from place to place. If so, it is carried left hand on the bottom, right hand on the top. Before it changes hands the receiving person, if in uniform, salutes the presenter.

Special Element Roles. The graveside ceremony consists of several ceremonial elements. The Rifle Squad, Pallbearers, Honor Guard, Bugler, Piper, etc., at times act independently of the main formation in the discharge of their duties. The following are guidelines for such special element roles:

- The Master of Ceremonies is the leader of all uniformed elements;
- The commands of the Master of Ceremonies are given in a voice audible to all present;
- The commands to the special elements by their individual Officers in Charge are audible only to the concerned elements;
- When the Master of Ceremonies intends for the special elements to operate independently of his commands, the command: "SPECIAL ELEMENTS, STAND FAST!" will be given prior to the command given the main formation. On all other occasions the special elements are to function as part of the main formation.

Positioning of Elements

- The Master of Ceremonies should be at the graveside well in advance of the motorcade, and should, in an expeditious manner, position arriving officers into the ranks and files of the main formation;
- The Master of Ceremonies should also position the Honor Guard, Piper, Bugler, Rifle Squad and other special elements;
- Upon arrival of the hearse the pallbearers should stand at Parade Rest, facing one another in two ranks, at the rear of the hearse, until directed by the Master of Ceremonies to remove the casket.

Recommended Order of Ceremonies. After the Master of Ceremonies has positioned all elements and the main formation is complete the Order of Ceremonies (with the MC giving the commands) is as follows:

- The command: "DETAIL ATTENTION!" is given. This signals the Mortuary Director and the pallbearers to remove the casket from the hearse;

- "PRESENT ARMS" is directed to the entire formation; "Present Arms" is held while the pallbearers move the casket to the bier. (The casket is oriented feet first when moved and when positioned for the service. If the casket needs to be turned or re-oriented it is done with a pivoting movement immediately prior to being set at rest).
- "DETAIL - ORDER ARMS!" is given after the pallbearers have placed the casket on the bier, adjusted the flag to its proper position and come to attention.
- "DETAIL, PARADE REST!" The OIC of the pallbearer detail directs a facing movement followed by a marching order that positions the detail to the side (but in close proximity) to the bier, for the duration of the religious rites. Upon completion of the religious rites the Honor Guard positions itself on either side of the casket for the folding of the flag.
- "DETAIL ATTENTION!" queues the piper to begin a musical selection and the Honor Guard to begin folding the flag in accordance with the addendum to this document.
- The folded flag is presented to the Chief of Police who renders a hand salute, receives the flag from the presenter, turns and presents it to the primary next of kin. It is not uncommon for Category I ceremonies to be attended by the Governor or a representative of that office. In almost all cases, uniformed officers from the California Highway Patrol will be in attendance to present a State of California flag, and condolences from the governor, to the primary next of kin. This occurs immediately after the presentation of the United States flag by the Chief of Police.
- After the flag presentations and condolences are complete, the command: "DETAIL, PRESENT ARMS!" is given to all personnel. Immediately thereafter: "PREPARE FOR THE VOLLEY!" is given as a warning that the rifle volley is about to occur and queues the rifle squad to conduct the rifle salute.
- After the rifle squad completes the volley and comes to "Present Arms" the bugler begins "TAPS". (If there is a flyover it should be coordinated to pass overhead as "TAPS" is ending).
- Upon completion of "TAPS" and the flyover: "DETAIL, ORDER ARMS!" is given. This queues the pallbearers to align with the end of the casket farthest from the next of kin, remove their gloves and file past the casket, placing their gloves thereon as they do so. After having done so the pallbearers form a rank at attention and "DETAIL, DISMISSED!" is given, ending the ceremony.

CEREMONIES, CATEGORIES II THROUGH V

Category II. A category II (Sworn/Non-traumatic death) funeral honors are confined to a Rifle Salute, ceremonial Flag Folding and TAPS.

Category III. The protocol for a Category III (Death of a Civilian Employee) funeral should be restricted to a motor escort, a static Honor Guard and an attendance policy identified by the Chief of Police.

Category IV. The protocol for a Category IV (Death of a Retired or Separated Employee) funeral should be restricted to the participation of a static Honor Guard and an attendance policy identified by the Chief of Police.

Category V. The protocol for a Category V (Death of an Immediate Family Member) funeral should be limited to an attendance policy identified by the Chief of Police.

HOUSE OF WORSHIP CHECKLIST

- [] Determine (through the **Family Liaison Officer**) the religious affiliation of the Officer and family.
- [] Determine (through the **Family Liaison Officer**) the exact name, address and telephone number for the house of worship preferred by the family.
- [] Contact the leader of the congregation and determine the seating capacity of the facility.
- [] Obtain a floor plan of the facility and a diagram of the available parking.
- [] Meet with the leader of the congregation and compose a detailed list of the items or issues the Department is expected to handle, and a detailed outline of how the service is expected to evolve.
- [] Solicit the recommendations of the leader of the congregation for family and VIP seating.
- [] Set a tentative date and time for the service. Do not make a commitment. (Autopsies or other facets of the investigation may delay release of remains).
- [] Prepare to brief the **Incident Command Staff** at the scheduled planning meeting.
- [] Advise the leader of the congregation that a **Master of Ceremonies** must be provided to choreograph all aspects of the worship services.
- [] Arrange a dress rehearsal for all who participate in the worship services. (Ushers, Pall Bearers, Honor Guard, etc.).
- [] Consult with the **Parking Team Leader** about the parking layout at the house of worship.

CEMETERY LIAISON CHECKLIST

- [] The **Cemetery Liaison Officer** is in charge at the cemetery. Cemetery personnel will advise when asked but the protocol is that the **Cemetery Liaison Officer** dictates what is needed and the cemetery provides it.
- [] Verify with cemetery personnel that no other burials are scheduled during the period that the police ceremonies are to occur.
- [] Obtain a map of the facility.
- [] Consult with the **Cemetery Manager** regarding his recommendations for a traffic plan for a long procession.
- [] In conjunction with the **Formation Leader**, formulate a plan for a large formation of uniform and plain clothes police personnel.
- [] Maintain contact with the **Documentation Unit** of the **Planning Section**, which is responsible for monitoring the weather. Remain current on the status of the weather. The cemetery will arrange for shelters if needed.
